The Contractor will be responsible for providing all services, equipment, facilities, and functions which are necessary for the safe, reliable, efficient, and well-managed operation of the program, within the general parameters described in this IFB, and consistent with established industry practices, regardless of whether those services, equipment, facilities, and functions are specifically mentioned in this IFB or not. The bidder should clearly identify any omissions to the requirements set forth in the IFB.

- b. No bids may be withdrawn for a period of ninety (90) days after the time set herein for the opening of bids.

- a. **For this project there has been no goal established for DBE participation.** DBE firms are encouraged to submit bids as Prime Contractors or Subcontractors.
- b. To be eligible a firm must 1) be certified as a DBE under U. S. Department of Transportation's guidelines found in 49 CFR Part 26; and 2) hold a current, valid certification from a member of the Missouri Regional Certification Committee (MRCCC). A database of certified firms may be found at www.modot.mo.gov/ecr/index.htm.
- c. **Non-Discrimination.** Bidders shall not discriminate on the basis of race, color, creed, sex, sexual orientation, gender identity, national origin, disability or age in the performance of this project. The Bidder shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts.
- e. **DBE Participation Credit**
 - 1. The following shall be credited towards achieving DBE participation, except as provided herein:
 - a. The total contract dollar amount that a qualified DBE Prime Contractor earns for its portion of work done on the contract that is done by its own workforce, is performed in a category in which the DBE is currently certified, and is a commercially useful function as defined by the Program.
 - b. The total contract dollar amount that a Prime Contractor has paid or is obligated to pay to a subcontractor that is a qualified DBE; and
 - c. Subcontractor participation with a lower tier DBE subcontractor; and
 - d. Sixty percent (60%) of the total dollar amount paid or to be paid by a Prime Contractor to obtain supplies or goods from a supplier who is not a manufacturer and who is a qualified DBE. If the DBE is a manufacturer of the supplies, then one hundred percent (100%) may be credited, to be determined on a case-by-case basis.
 - 2. No credit, however, will be given for the following:
 - a. Participation in a contract by a DBE that does not perform a commercially useful function as defined by the Program; and
 - b. Any portion of the value of the contract that a DBE Subcontractor subcontracts back to the prime contractor or any other contractor who is not a qualified DBE; and
 - c. Materials and supplies used on the contract unless the DBE is responsible for negotiating the price, determining quality and quantity, ordering the materials and installing (where applicable) and paying for material itself; and
 - d. Work performed by a DBE in a scope of work other than that in which the DBE is currently certified.
- f. **Requests for Subcontractor Modification or Replacement.**
 - 1. Prior to an award of a negotiated procurement and once a contract has been awarded, Contractor may not substitute or terminate a DBE subcontractor without KCATA's prior written consent.

This includes, but is not limited to, instances in which a Contractor seeks to perform work originally designated for a DBE subcontractor with its own forces or those of an affiliate, a non-DBE firm, or with another DBE firm.

2. Written consent of termination may be given if the Contractor has demonstrated good cause. Good cause includes the following circumstances.
 - a) The listed DBE subcontractor fails or refuses to execute a written contract; or
 - b) The listed DBE subcontractor fails or refuses to perform the work of its subcontract in a way consistent with normal industry standards. Provided, however, that the good cause does not exist if the failure or refusal of the DBE subcontractor to perform its work on the subcontract results from the bad faith or discriminatory action of the Prime Contractor; or
 - c) The listed DBE subcontractor fails or refuses to meet the Prime Contractor's reasonable, nondiscriminatory bond requirements; or
 - d) The listed DBE subcontractor becomes bankrupt, insolvent, or exhibits credit unworthiness; or
 - e) The listed DBE subcontractor is ineligible to work on public works projects because of suspension and debarment proceedings pursuant to 2 CFR Parts 180, 215 and 1200 or applicable state law; or
 - f) The DBE subcontractor is not a responsible contractor; or
 - g) The listed DBE subcontractor voluntarily withdraws from the project and provides the Prime Contractor written notice of its withdrawal;
 - h) The listed DBE is ineligible to receive DBE credit for the type of work required;
 - i) A DBE owner dies or becomes disabled with the result that the listed DBE contractor is unable to complete its work on the contract;
 - j) Other documented good cause that compels KCATA to terminate the DBE subcontractor. Provided the good cause does not exist if the Prime contractor seeks to terminate a DBE it relied upon to obtain the contract so that the Prime Contractor can self-perform the work for which the DBE contractor was engaged or so that the Prime Contractor can substitute another DBE or non-DBE contractor.
3. Before submitting its request to terminate or substitute a DBE subcontractor, the Prime Contractor must give notice in writing to the DBE subcontractor, with a copy to KCATA, of its intent to request to terminate and/or substitute, and the reason for the request.
4. The Prime Contractor must give the DBE five days to respond to the Prime Contractor's notice and advise KCATA and the Contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why KCATA should not approve the Prime Contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), the response period may be shortened.

SECTION 4

BID EVALUATION, ACCEPTANCE AND AWARD

1. Bid Evaluation.

- a. It is the intent of the KCATA to award a contract to the responsive and responsible bidder whose bid conforming to this IFB, is the lowest in price and, in KCATA's sole discretion, provides the best value to the KCATA. Factors such as discounts, transportation costs and life cycle costs will be considered in determining which bid is lowest in price.
- b. A responsible bidder possesses the ability to perform successfully under the terms and conditions of the proposed contract considering matters including Contractor integrity, record of past performance, and financial and technical resources.
- c. The low bidder will be required to demonstrate its ability to provide the times and/or perform services contained in the solicitation, in a timely manner, to the complete satisfaction of the Authority. Doubt as to technical ability, productive capability, and financial strength which cannot be resolved affirmatively may result in a determination of non-responsibility by KCATA.
- d. If the low bidder is eliminated, then the second lowest bidder will be required to demonstrate its ability to perform services as described herein. This process will continue to the next lowest bidder until a bidder successfully meets the specification requirements.
- e. KCATA reserves the right to investigate the qualifications of all bidders under consideration to confirm any part of the information furnished by a bidder, or to require other evidence of managerial, financial or other capabilities which are considered necessary for the successful performance of the contract.

2. Bid Acceptance.

Each bid is to be submitted with the understanding that the acceptance in writing by the KCATA of the bid to furnish the materials and services, or any part thereof, described therein shall constitute a contract between the bidder and the KCATA which shall bind the bidder on its part to furnish and deliver at the price given and in accordance with the terms and conditions of said accepted bid and these conditions.

3. Unbalanced Bid.

The Authority may determine that a bid is non-responsive if the prices proposed are materially unbalanced. A bid is materially unbalanced when it is based on prices significantly less than cost or prices significantly overstated relative to cost.

4. Bid Award.

- a. The KCATA reserves the right to award to other than the low bidder and to award any or all items of the bid.
- b. In the case of multiple line items, the KCATA reserves the right to award the entire bid to one bidder, or to split the award of the items to multiple bidders.
- c. If awarded at all, the bid may be awarded to the bidder whose total price is lowest, whose bid is responsive to the invitation thereof, and who is determined to be technically and financially responsible to perform as required. The KCATA reserves the right to accept another bid, if it is in the

best interest of the Authority. **Conditional bids and any bid taking exception to these instructions or conditions, to the contract conditions or specifications, or to other contract requirements may be considered non-responsive and may be rejected.**

5. Purchase Order or Contract.

- a. Upon acceptance and award of a bid by KCATA, a purchase order or contract shall be issued thereon and shall constitute a contract for furnishing the items described in the bid in strict conformity with the specifications and bid conditions.
- b. The purchase order or contract shall be considered as made in Kansas City, Missouri, and the construction and enforcement of it shall be in accordance with the laws of the State of Missouri except those pertaining to conflicts of law.

6. Bidder's Responsibilities.

- a. By submitting a bid, the bidder represents that bidder has read and understands the IFB and the bid is made in accordance with the IFB; and
- b. By submitting a bid, the bidder represents that bidder possesses the capabilities, resources, and personnel necessary to provide efficient and successful service to KCATA.

7. Reservations.

This IFB does not commit KCATA to award a contract, to pay any cost incurred in preparation of a bid, or to procure a contract for services. The KCATA reserves the right to waive informalities or irregularities in bids, and to reject any or all bids; to cancel this IFB in part or in its entirety, and to re-advertise for bid if it is in the best interest of the Authority. KCATA shall be the sole judge of what is in its best interest with respect to this IFB.

8. Debarment.

- a. The bidder shall certify that it is not included in the "U.S. General Services Administration's List of Parties Excluded from Federal Procurement or Non-procurement Programs".
- b. The bidder agrees to refrain from awarding any subcontract of any amount (at any tier) to a debarred or suspended subcontractor, and to obtain a similar certification from any subcontractor (at any tier) seeking a contract exceeding \$25,000.
- c. The bidder agrees to provide the KCATA a copy of each conditioned debarment or suspension certification provided by a prospective subcontractor at any tier, and to refrain from awarding a subcontract with any party that has submitted a conditioned debarment or suspension certification until FTA approval is obtained.

9. Employee Eligibility Verification.

- a. The bidder is required by sworn affidavit and provision of documentation, to affirm its enrollment and participation in a federal work authorization program with respect to employees working in connection with the contracted services.

- b. The bidder shall also affirm that it does not knowingly employ any person in connection with the contracted services who does not have the legal right or authorization under federal law to work in the United States as defined in 8 U.S.C. §1324a(h)(3).
- c. The bidder is required to obtain the same affirmation from all subcontractors at all tiers.

SECTION 5
CONTRACT TERMS AND CONDITIONS

1. ACCEPTANCE OF MATERIALS – NO RELEASE:

Acceptance of any portion of the products, equipment or materials prior to final acceptance shall not release the Contractor from liability for faulty workmanship or materials, or for failure to fully comply with all of the terms of this Contract. KCATA reserves the right and shall be at liberty to inspect all products, equipment or materials and workmanship at any time during the Contract term, and shall have the right to reject all materials and workmanship which do not conform with the conditions, Contract requirements or specifications; provided, however, that KCATA is under no duty to make such inspection, and Contractor shall (notwithstanding any such inspection) have a continuing obligation to furnish all products, services, equipment or materials and workmanship in accordance with the instructions, Contract requirements and specifications. Until delivery and acceptance, and after any rejections, risk of loss will be on the Contractor, unless loss results from negligence of KCATA.

2. AGREEMENT IN ENTIRETY:

This Contract represents the entire and integrated agreement between the parties and supersedes all prior negotiations, representations or agreements, either written or oral. This Contract may be amended only by written instrument signed by all parties.

3. ASSIGNMENT:

The Contractor shall not assign any interest in this Contract and shall not transfer any interest in the same (whether by assignment or novation), without the prior written consent of KCATA. In the event of KCATA's consent to assignment of this Contract, all of the terms, provisions and conditions of the Contract shall be binding upon and inure to the benefit of the parties and their respective successors, assigns and legal representatives.

4. BANKRUPTCY:

In the event the Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the Contractor agrees to furnish, by certified mail, written notification of the bankruptcy to the KCATA official identified in the "Notification and Communication" section. This notification shall be furnished within five (5) days of the initiation of the proceedings relating to bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of KCATA Contract numbers against which final payment has not been made. This obligation remains in effect until final payment under this Contract.

5. BREACH OF CONTRACT; REMEDIES:

- A. If the Contractor shall fail, refuse or neglect to comply with the terms of this Contract, such failure shall be deemed a total breach of Contract and the Contractor shall be subject to legal recourse by KCATA, plus all costs resulting from the failure to comply including the KCATA's reasonable attorney fees, whether or not suit be commenced.
- B. The duties and obligations imposed by this Contract and the rights and remedies available hereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law or equity. No action or failure to act by KCATA shall constitute a waiver

of any right or duty afforded under this Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach hereunder, except as may be specifically agreed in writing.

6. CHANGES:

KCATA may at any time, by a written order, and without notice to the sureties, make changes within the general scope of this Contract. No such changes shall be made by the Contractor without prior written approval by KCATA. If any such change causes an increase or decrease in the Contract sum, or the time required for performance of this Contract, whether changed or not changed by such order, an equitable adjustment shall be made by written modification. Any Contractors' claim for adjustment under this clause must be asserted within 30 days from the date of receipt by the Contractor of the notification of change. Nothing in this clause shall excuse the Contractor from proceeding with the Contract as changed.

7. CHANGES TO FEDERAL REQUIREMENTS:

Contractor shall at all times comply with all applicable FTA regulations, policies, procedures and directives, including without limitation, those listed directly or by reference in the Agreement between the Authority and FTA (FTA MA (18) dated October 1, 2011), as they may be amended or promulgated from time to time during the term of this Contract. Contractors' failure to so comply shall constitute a material breach of this Contract. Contractor agrees to include this clause in all subcontracts at any tier. It is further agreed that the clause shall not be modified, except to identify the subcontractors who will be subject to its provisions.

8. CIVIL RIGHTS:

A. Nondiscrimination. In addition, the Contractor agrees to comply with applicable Federal implementing regulations and other implementing regulations that the Federal Transit Administration (FTA) may issue.

B. Equal Employment Opportunity. The following equal employment opportunity requirements apply to this Contract:

The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, creed, age, sex, sexual orientation, gender identity or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.

2. Age. In accordance with Section 4 of the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 623 and Federal transit law at 49 U.S.C. §5332, the Contractor agrees to refrain from discrimination against present and prospective employees for reason of age. In addition, the Contractor agrees to comply with any implementing requirements FTA may issue.
3. Disabilities. In accordance with section 102 of the Americans with Disabilities Act, as amended, 42 U.S.C. §12112, the Contractor agrees that it will comply with the requirements of U.S. Equal Employment Opportunity Commission, “Regulations to Implement the Equal Employment Provisions of the Americans with Disabilities Act,” 29 C.F.R. In addition, the Contractor agrees to comply with the requirements of 49 U.S.C. § 5301 (d) which expresses the Federal policy that the elderly and persons with disabilities have the same right as other persons to use mass transportation services and facilities, and that special efforts shall be made in planning and designing those services and facilities to implement transportation accessibility rights for elderly persons and persons with disabilities. Contractor also agrees to comply with any implementing requirements FTA may issue.

D. Contractor understands that it is required to include this Article in all subcontracts. Failure by the Contractor to carry out these requirements or to include these requirements in any subcontract is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as the KCATA deems appropriate, including but not limited to withholding monthly progress payments and/or disqualifying the Contractor from future bidding as non-responsible.

9. CONFLICTS OF INTEREST (ORGANIZATIONAL):

The Contractor certifies that it has no other activities or relationships that would make the Contractor unable, or potentially unable, to render impartial assistance or advice to KCATA, or that would impair the Contractor’s objectivity in performing work under this Contract, or that would result in an unfair competitive advantage to Contractor or to another third party performing the Project work.

10. CONTRACTOR’S RESPONSIBILITY:

No advantage shall be taken by the Contractor or its subcontractor of the omission of any part or detail that goes to make any services, products, equipment or materials complete and operable for use by KCATA. In case of any variance, this specification shall take precedence over Contractor’s or subcontractor’s own specifications. The Contractor shall assume responsibility for all products, equipment, materials and services used whether the same is manufactured by the Contractor or purchased ready made from a source outside the Contractor’s company. In the case of the replacement of a subcontractor, the Contractor shall, within five (5) days, notify KCATA in writing of the replacement and provide name, address, telephone number, and the type of service.

11. DEBARMENT AND SUSPENSION CERTIFICATION:

The Contractor, its principals and any affiliates, shall certify that it is not included in the “U.S. General Services Administration’s List of Parties Excluded from Federal Procurement or Non-procurement Programs,” as defined at 49 CFR Part 29, Subpart C.

The Contractor agrees to refrain from awarding any subcontract of any amount (at any tier) to a debarred or suspended subcontractor, and to obtain a similar certification from any subcontractor (at any tier) seeking a contract exceeding \$25,000.

The Contractor agrees to provide KCATA a copy of each conditioned debarment or suspension certification provided by a prospective subcontractor at any tier, and to refrain from awarding a subcontract with any party that has submitted a conditioned debarment or suspension certification until FTA approval is obtained.

12. DELIVERY:

Materials and/or equipment shall be delivered to Kansas City Area Transportation Authority, Central Receiving Facility, Building #1, 1350 East 17th Street, Kansas City, Missouri, 64108. KCATA will assume custody of property at other locations, if so directed in writing by KCATA. Packing slips shall be furnished with the delivery of each shipment. KCATA reserves the right to inspect all deliveries or services before acceptance. All external components shall be wrapped for protection against damage during shipping and handling. Each specified unit shall be delivered to KCATA in first class condition and the Contractor shall assume all responsibility and liability for said delivery. KCATA reserves the right to extend delivery or installation, postpone delivery or installation, or reschedule delivery or installation in case the delivery or installation of service equipment under this Agreement shall be necessarily delayed because of strike, injunction, civil disturbance, government controls, or by reason of any cause of circumstance beyond the control of the Contractor, as detailed in writing by the Contractor. The time of completion of a delivery or installation shall be extended by a number of days to be determined in each instance by KCATA.

13. DISADVANTAGED BUSINESS ENTERPRISE (DBE):

A. This Contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs. *A separate contract goal has not been established for this procurement.*

B. The Contractor shall not discriminate on the basis of race, color national origin, or sex in the performance of this Contract. The Contractor shall carry out applicable requirements of 49 CFR. Part 26 in the award and administration of this DOT-assisted contract. Failure by the Contractor to carry out these requirements is a material breach of this Contract, which may result in the termination of this Contract or such other remedy as KCATA deems appropriate. Each subcontract the Contractor signs with a subcontractor must include the assurance in this paragraph (see 49 C.F.R. 26.13(b)).

C. The Contractor may not substitute, remove or terminate a DBE subcontractor without KCATA’s prior written consent. Written consent of termination may only be given if the Contractor has demonstrated good cause. Before submitting its request to terminate or substitute a DBE subcontractor, the Prime Contractor must give notice in writing to the DBE subcontractor, with a copy to KCATA, of its intent to request to terminate and/or substitute, and the reason for the request. The Contractor must give the DBE five days to respond to the Contractor’s notice and advise KCATA and the Contractor of the reasons, if any, why it objects to the proposed termination

of its subcontract and why KCATA should not approve the Contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), the response period may be shortened.

D. Good Cause. Good cause includes, but is not limited to, the following circumstances:

1. The listed DBE subcontractor fails or refuses to execute a written contract; or
2. The listed DBE subcontractor fails or refuses to perform the work of its normal industry standards provided, however, that the good cause does not exist if the failure or refusal of the DBE subcontractor to perform its work on the subcontract results from the bad faith or discriminatory action of the Prime Contractor; or
3. The listed DBE subcontractor fails or refuses to meet the Prime Contractor's reasonable, nondiscriminatory bond requirements; or
4. The listed DBE subcontractor becomes bankrupt, insolvent, or exhibits credit unworthiness; or
5. The listed DBE subcontractor is ineligible to work on public works projects because of suspension and debarment proceedings pursuant to 2 CFR Parts 180, 215 and 1200 or applicable state law; or
6. The DBE subcontractor is not a responsible contractor; or
7. The listed DBE subcontractor voluntarily withdraws from the project and provides the Prime Contractor written notice of its withdrawal; or
8. The listed DBE is ineligible to receive DBE credit for the type of work required; or
9. A DBE owner dies or becomes disabled with the result that the listed DBE contractor is unable to complete its work on the contract; or
10. Other documented good cause that compels KCATA to terminate the DBE subcontractor. Provided the good cause does not exist if the Prime contractor seeks to terminate a DBE it relied upon to obtain the contract so that the Prime Contractor can self-perform the work for which the DBE contractor was engaged or so that the Prime Contractor can substitute another DBE or non-DBE contractor.

E. Before submitting its request to terminate or substitute a DBE subcontractor, the Prime Contractor must give notice in writing to the DBE subcontractor, with a copy to KCATA, of its intent to request to terminate and/or substitute, and the reason for the request. The Prime Contractor must give the DBE five days to respond to the Prime Contractor's notice and advise the KCATA and the Contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why KCATA should not approve the Prime Contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), the response period may be shortened.

14. DISCLAIMER OF FEDERAL GOVERNMENT OBLIGATIONS OR LIABILITY:

The Contractor, and any subcontractors acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of this contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Contractor, or any other party (whether or not a party to this Contract) pertaining to any matter resulting from this Contract. It is further agreed that the clause shall be

included in each subcontract and shall not be modified, except to identify the subcontractor who will be subject to its provision.

15. DISPUTE RESOLUTION:

- A. Except as otherwise provided in this Contract, any dispute concerning a question of fact arising under this Contract which is not disposed of by agreement shall be decided by KCATA's Director of Procurement, who shall reduce the decision to writing and mail or otherwise furnish a copy to the Contractor. The decision of the Director of Procurement shall be final and conclusive unless within ten (10) days from the date of receipt of such copy the Contractor mails or otherwise furnishes a written appeal addressed to the General Manager, with a copy to the Deputy General Manager and the Director of Procurement. The determination of such appeal by the General Manager shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent or capricious, arbitrary, or not supported by substantial evidence. In connection with any appeal proceeding under this clause the Contractor shall be afforded an opportunity to be heard and to offer evidence in support of its appeal. Pending final decision of a dispute hereunder, and unless otherwise directed in writing by KCATA, the Contractor shall proceed diligently with performance in accordance with the Director of Procurement's decision.
- B. The duties and obligations imposed by the Contract and the rights and remedies available hereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the KCATA or Contractor shall constitute a waiver of any right or duty afforded any of them under the Contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

16. CONSTRUCITON EMPLOYEE PROTECTIONS:

- A. Davis-Bacon and Copeland Anti-Kickback Standards Acts (Applies to all contracts greater than \$2K)
 - 1. The Contractor agrees to pay wages to laborers and mechanics performing Contract work at a rate not less than the minimum wages specified in a wage determination issued by the U.S. Secretary of Labor and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 C.F.R. Part 3)). The Contractor agrees to place a copy of the current prevailing wage determination issued by the U.S. DOL in each solicitation for subcontractor work under this project, and agrees to refrain from awarding any affected contracts until the subcontractor agrees to the required wage determination. The KCATA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this Contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay

laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), all or part of the wages required by the contract, the KCATA may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

4. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under Section 5.5(a)(3)(i) of the Regulations, 29 C.F.R. Part 5. The prime Contractor is responsible for the submission of copies of payrolls by all subcontractors.
5. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.
 - a. Apprentices - Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Bureau of Apprenticeship and Training, or with a state apprenticeship agency recognized by the Bureau, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Bureau of Apprenticeship and Training or a state apprenticeship agency (where appropriate) to be eligible for probationary employment as an apprentice.
 - b. Trainees - Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination.
6. The Contractor must submit a copy of all payrolls each week to KCATA's project manager. The copy is to be accompanied by a statement signed by the Contractor indicating that the payrolls are correct and complete, and that the wage rates contained therein are not less than those determined by the Secretary of Labor. Upon completion of the Contract, the Contractor is to submit to KCATA's project manager, a certificate concerning wages and classifications for laborers and mechanics.
7. Subcontracts - The Contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR 5.5(a)(1) through (10) and such other clauses as the Federal Transit Administration may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime Contractor shall

be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

8. Contract Termination: Debarment - A breach of the clauses in 29 CFR 5.5 may be grounds for termination of the Contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.
9. Disputes concerning labor standards - Disputes arising out of the labor standards provisions of this Contract shall not be subject to the general disputes clause of this Contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the Contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.
10. Certification of Eligibility -
 - a. By entering into this Contract, the Contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the Contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

(40 U.S.C. § 3701 et seq.)
2. Violation; Liability for Unpaid Wages; Liquidated Damages - In the event of any violation of the clause set forth in Paragraph 1 of this section the Contractor and any subcontractor responsible therefore shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in Paragraph 1 of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard work week of forty hours without payment of the overtime wages required by the clause set forth in Paragraph 1 of this section.
3. Withholding for Unpaid Wages and Liquidated Damages - The KCATA shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or subcontractor under any such contract or any other Federal contract with the same prime

Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in Paragraph 2 of this section.

4. Safety Standards - No Contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic to work in surroundings or under conditions that are unsanitary, hazardous, or dangerous as prohibited by the safety requirements of section 107 of the Contract Work Hours and Safety Standards Act, 40 U.S.C. § 3704, and its implementing U.S. Department of Labor regulations, "Safety and Health Regulations for Construction," 29 CFR Part 1926.

The Contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in Paragraphs 1 through 4 of this section.

18. EMPLOYEE ELIGIBILITY VERIFICATION:

- A. To comply with Section 285.500 RSMo, *et seq.*, the Contractor is required by sworn affidavit and provision of documentation, to affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. The Contractor shall also affirm that it does not knowingly employ any person in connection with the contracted services who does not have the legal right or authorization under federal law to work in the United States as defined in 8 U.S.C. § 1324a(h)(3). The Contractor is required to obtain the same affirmation from all subcontractors at all tiers with contracts exceeding \$5,000.
- B. A federal work authorization program is any of the electronic verification of work authorization programs operated by the United States Department of Homeland Security (E-Verify) or an equivalent federal work authorization program operated by the United States Department of Homeland Security to verify information of newly hired employees, under the Immigration Reform and control Act of 1986 (IRCA), P.L.99-603.

TRAVEL POLICY & HOTEL RATES FOR CONTRACTORS

General Policy

Contractors will be reimbursed for authorized and documented expenses incurred while conducting KCATA business. Expenses for a traveler's companion are not eligible for reimbursement. Contractors are expected to make prudent business decisions and comparison shop for airfares, rental cars, lodging, etc., and to keep in mind that they are being reimbursed with public monies.

Receipts, paid bills or other documentary evidence for expenditures must be submitted with requests for reimbursement. The request for reimbursement must clearly indicate the amount, date, place and essential character of the expenditures.

The KCATA reserves the right to modify this travel policy with proper notification to Contractors.

1. **Airfare:** Commercial airline, coach class seating only. When possible, trips should be planned far enough in advance to assure purchase discounts.
2. **Lodging:** The KCATA has negotiated special rates at specific hotels. Contractors may stay at the hotel of their choice, but will be reimbursed no more than the special rate for a single room at the KCATA designated hotels, which is a maximum daily amount of \$106.00 plus tax.
3. **Meals:** The **actual costs** of meals, including tips of generally 15-17%, will be reimbursed up to a maximum of \$61 a day. Alcoholic beverages are **not** an eligible reimbursable expense.
4. **Auto Rental:** Rental or leased vehicles will not be reimbursed unless pre-approved in writing by KCATA in advance. The class of auto selected, if authorized, should be the lowest class appropriate for the intended use and number of occupants.
5. **Telephone:** Project-related, long-distance business calls will be reimbursed.
6. **Number of Trips to Travel Home on Weekends:** When extended stays in Kansas City are required, the KCATA will reimburse for trips home on weekends only every third weekend. In some instances, KCATA may require relocation of an employee to Kansas City.
7. **Taxis, Airport Shuttles, Public Transportation:** Transportation between the airport and hotel will be reimbursed. Contractors should consider the number in their party and compare taxi rates to airport shuttle fees when the shuttle serves the hotel.
8. **Personal Vehicle:** Mileage for usage of personal vehicles for business travel outside the seven-county Kansas City metropolitan area (Clay, Cass, Jackson and Platte Counties in Missouri; Johnson, Wyandotte and Douglas counties in Kansas) will be reimbursed at KCATA's current rate of 57.5 cents per mile (based on IRS' 2015 established rate).
