2. **Submittal.**

a. Bids shall be submitted on the **Bid Response Form** (Attachment D) provided. Bids submitted on any other form will be considered non-responsive and may be rejected. The authorized person signing the bid shall initial any erasures, corrections or other changes appearing on the Bid Response Form.

b. The Authority reserves the right to reject bids that alter the Bid Response Form or otherwise take exception to the bid requirements. Bidders may submit alternative bids along with a complete description of the proposed alternative; however the decision to accept or reject such alternative is entirely at the sole discretion of the Authority.

3. **Communications.**

In cases where communication is required between bidders and the KCATA, such as requests for information, instruction, clarification of specifications, approval of completed work, etc., such communication shall be forwarded directly to Tom Dennis – Buyer II at 816-346-0366 or email at [tdennis@kcata.org](mailto:tdennis@kcata.org).

4. **Approved Equals.**

a. Wherever brand, manufacturer, or product names are used, they are included only for the purpose of establishing a description of minimum quality of the requested item unless otherwise specified. This inclusion is not to be considered as advocating or prescribing the use of any particular brand or item or product. However, approved equals or better will be accepted only when previously approved by the KCATA.

b. All requests for approved equals shall be received in writing. Changes to the specifications will be made by addendum. Bidders may discuss the specification with the KCATA; however, requests for changes shall be

written and documented.

- c. When an approved equal is requested, the bidder shall demonstrate the quality of its product to the KCATA, and shall furnish sufficient technical data, test results, etc., to enable the KCATA to determine whether the bidder's product is or is not equal to specifications.

5. **Protests.**

- a. The following protest procedures will be employed for this procurement. For the purposes of these procedures, "days" shall mean business days of KCATA administrative personnel which are days other than a Saturday, Sunday or legal holiday observed by KCATA for such administrative personnel.
- b. **Pre-Submittal.**  
A pre-submittal protest is received prior to the bid due date. Pre-submittal protests must be received by the Authority, in writing and addressed to the KCATA Director of Procurement, no later than five (5) days before the bid closing date.
- c. **Post-Submittal/Pre-Award.**  
A post-submittal/pre-award protest is a protest against making an award and is received after receipt of proposals but before award of a contract. Post-submittal protests must be received by the Authority, in writing and addressed to the KCATA Director of Procurement, no later than five (5) days after the proposal closing date.
- d. **Post-Award.**  
Post-Award protests must be received by the Authority, in writing and addressed to the KCATA Director of Procurement, no later than five (5) days after the date the contract is awarded.
- e. The KCATA Director of Procurement shall respond in writing within five (5) days from the date of the written request. If the protester is not satisfied with the response of the KCATA Director of Procurement, the protester may appeal in writing to the KCATA General Manager. This request for a hearing should be in writing within five (5) days from the date of the KCATA Director of Procurement's response.
- f. The KCATA General Manager will decide if the protest and the appeal (if any) have been given fair and reasonable consideration, or if additional consideration is warranted. The KCATA General Manager's response will be provided within ten (10) days after receipt of the request. The KCATA

General Manager's decision is final and no further action on the protest shall be taken by the KCATA.

- g. By written notice to all parties, the KCATA Director of Procurement may extend the time provided for each step of the protest procedures, extend the date of notice of award, or postpone the award of a contract if deemed appropriate for protest resolution.
- h. Bidders shall be aware of the Federal Transit Administration's (FTA) protest procedures with the FTA Regional Office (ref: FTA Circular 4220.1F, dated November 1, 2008). If federal funding is involved, FTA will review protests from a third party only when: 1) a grantee does not have a written protest procedure or fails to follow its procedure, or fails to review a complaint or protest; or 2) violations of specific federal laws or regulations have occurred.
- i. An appeal to FTA must be received by FTA's regional office within five (5) days after the date the protester learned or should have learned of an adverse decision by the KCATA or other basis of appeal to FTA. Protests shall be addressed to: Regional Administrator, FTA Region 7, 901 Locust, Room 404, Kansas City, Missouri, 64106.

**6. Bid Pricing.**

- a. Bids shall be firm and final.
- b. Bidders shall be responsible for furnishing and delivering new and complete materials and/or services to include the installation, assembly, accessories, personnel, training, warranty, and guarantee as specified to make this procurement complete.
- c. The bid price shall include, as applicable, all items of labor, materials, tools, equipment, transportation, and other costs necessary to complete the manufacture, delivery, assembly, installation and drawings, if required, of the materials or services required in this procurement.
- d. The quantities specified for purchase by KCATA are based upon the best available estimates, taking into consideration the consumption during the past periods, and do not determine the actual amount the Authority may order during the contract period. The quantities are subject to change. Payment will be based on actual order quantities based on the unit rates quoted.
- e. It is the intention of the specifications to provide complete and accurate descriptions for materials and/or services required by the KCATA. Any

materials or services omitted from the specifications that are clearly necessary for the completion of this bid, although not directly specified or called for in the specifications, shall be considered a portion of the bid. Bidder shall indicate the additional material and services it has determined to be required for this procurement.

- f. Bids shall indicate the unit price, extended to reflect the total bid. Any difference between the unit price correctly extended and the total price shall be resolved in favor of the unit price, except where the bidder clearly indicates that the total price is based on consideration of being awarded all items of the bid.
- g. Bid shall be net and shall reflect any available discount. Separate discount for timely payment shall not be given consideration in evaluating bids, except in the case of bids that end in a tie.
- h. The KCATA is exempt from payment of federal, state and local sales taxes, and such taxes shall not be included in the bid price. Nevertheless, the bidder is not exempt from these taxes when purchasing materials directly from its supplier.

**7. Exceptions, Omissions and Sample Contract**

- a. Exceptions. The bid should clearly identify any exceptions to the requirements set forth in this IFB.
- b. Omissions. The contractor will be responsible for providing all services, equipment, facilities, and functions which are necessary for the safe, reliable, efficient, and well-managed operation of the program, within the general parameters described in this IFB, and consistent with established industry practices, regardless of whether those services, equipment, facilities, and functions are specifically mentioned in this IFB or not. The proposer should clearly identify any omissions to the requirements set forth in the IFB.
- c. Sample Contract and Conditions. In addition to carefully reading all of the information in the IFB, the proposer must carefully read and review the attached sample contract (Attachment A). The successful proposer will be required to enter into a contract with KCATA, which will be substantially similar to the sample provided. Therefore, the bidder must submit any proposed changes to the sample contract with the bid. Any changes must be made legibly and conspicuously. Page(s) on which the change(s) appear must be tabbed so as to be easily identified. The bidder must also provide the rationale for all changes. If no changes are made,

the bidder will be deemed to have accepted the sample contract. If the bidder makes changes, such changes will be considered in any negotiations with the KCATA. Failure to reach an agreement may result in KCATA pursuing negotiations with the second ranked bidder.

**8. Authorization to Bid.**

- a. Sealed bids (one original and two copies) shall be signed by an authorized official and submitted to the Procurement Department, Attn: Tom Dennis, KCATA, 1350 E. 17th Street, Kansas City, Missouri, 64108. The bid number shall be clearly marked on the front of the return envelope.
- b. If an individual doing business under a fictitious name makes the bid, the bid shall so state. If the bid is made by a partnership, the full names and addresses of all members of the partnership shall be given and one principal member shall sign the bid. If a corporation, limited liability company or other legal entity makes the bid, an authorized officer shall sign it in the corporate name. If the bid is made by a joint venture, the full names and addresses of all members of the joint venture shall be given and one member shall sign the bid authorized thereof.

**9. Submittal Deadline.**

- a. Sealed bids will be received until the date and time specified for bid closing in Section I, "Bid Schedule". Bids received before the bid closing time will be kept securely sealed. Bids submitted by facsimile (fax) machine or electronic mail (e-mail) will not be accepted.
- b. At a time specified for bid opening, all bids properly received will be publicly opened and read aloud. Any bid received after this time will not be considered.

**10. Incomplete Bid.**

All documents that are required to be submitted with this Bid are listed on the Bid Checklist Form (Attachment B). The bidder shall read all forms carefully before signing. Incomplete bid documents may render the bid non-responsive.

**11. Withdrawal of Bids.**

- a. Bids may be withdrawn upon written request received by the KCATA before the time fixed for bid closing. Withdrawal of a bid shall not prejudice the right of the bidder to submit a new bid, provided the latter is received in a timely manner as provided above. The bond or certified check of any bidder

withdrawing its bid, in accordance with the foregoing condition, will be returned promptly.

- b. No bids may be withdrawn for a period of sixty (60) days after the time set herein for the opening of bids.

**12. Disclosure of Proprietary Information.**

- a. A Bidder may restrict the disclosure of scientific and technological innovations in which it has a proprietary interest, or other information that is protected from public disclosure by law, which is contained in the bids by:
  - 1. Marking each page of each such document prominently in at least 16 point font with the words “Proprietary Information;”
  - 2. Printing each page of each such document in a different color paper than the paper which the remainder of the bid is printed; and
  - 3. Segregating each page of each such document in a sealed envelope, which shall prominently display, on the outside, the words “Proprietary Information” in at least 16 point font, along with the name and address of the Bidder.
- b. After either a contract is executed pursuant to this IFB, or all bids are rejected, the bids will be considered public records open for inspection. If access to documents marked “Proprietary Information,” as provided above, is requested under the Missouri Open Records Law, the District will notify the Bidder of the request and the Bidder shall have the burden to establish that such documents are exempt from disclosure under the Law. Notwithstanding the foregoing, in response to a formal request for information, the KCATA reserves the right to release any documents if the KCATA determines that such information is a public record pursuant to the Missouri Sunshine Law.

**B. BID EVALUATION, ACCEPTANCE AND AWARD**

**1. Bid Evaluation.**

- a. It is the intent of the KCATA to award a contract to the responsive and responsible bidder whose bid conforming to this IFB, is the lowest in price. Factors such as discounts, transportation costs and life cycle costs will be considered in determining which bid is lowest in price.

- b. A responsible bidder possesses the ability to perform successfully under the terms and conditions of the proposed contract considering matters including contractor integrity, record of past performance, and financial and technical resources.
- c. The low bidder will be required to demonstrate its ability to perform services contained in the solicitation, in a timely manner, to the complete satisfaction of the Authority. Doubt as to technical ability, productive capability, and financial strength which cannot be resolved affirmatively may result in a determination of non-responsibility by KCATA.
- d. If the low bidder is eliminated, then the second lowest bidder will be required to demonstrate its ability to perform services as described herein. This process will continue to the next lowest bidder until a bidder successfully meets the specification requirements.
- e. KCATA reserves the right to investigate the qualifications of all bidders under consideration to confirm any part of the information furnished by a proposer, or to require other evidence of managerial, financial or other capabilities which are considered necessary for the successful performance of the contract.

**2. Bid Acceptance.**

Each bid is to be submitted with the understanding that the acceptance in writing by the KCATA of the bid to furnish the materials and services, or any part thereof, described therein shall constitute a contract between the bidder and the KCATA which shall bind the bidder on its part to furnish and deliver at the price given and in accordance with the terms and conditions of said accepted bid and these conditions.

**3. Single Bid.**

In the event a single bid is received, KCATA may cancel the solicitation; change the requirements to allow for more bids; re-solicit bids, or evaluate the bid based on the established criteria.

**4. Unbalanced Bid.**

The Authority may determine that a bid is non-responsive if the prices proposed are materially unbalanced. A bid is materially unbalanced when it is based on prices significantly less than cost or prices significantly overstated relative to cost.

**5. Bid Award.**

- a. The KCATA reserves the right to award any or all items of the bid or not to award at all.
- b. In the case of multiple line items, the KCATA reserves the right to award the entire bid to one bidder, or to split the award of the items to multiple bidders.
- c. If awarded at all, the bid may be awarded to the bidder whose total price is lowest, whose bid is responsive to the invitation thereof, and who is determined to be technically and financially responsible to perform as required. The KCATA reserves the right to accept another bid, if it is in the best interest of the Authority. Conditional bids and any bid taking exception to these instructions or conditions, to the contract conditions or specifications, or to other contract requirements may be considered non-responsive and may be rejected.

**6. Purchase Order or Contract.**

- a. Upon acceptance and award of a bid by KCATA, a purchase order or contract shall be issued thereon and shall constitute a contract for furnishing the items described in the bid in strict conformity with the specifications and bid conditions.
- b. The purchase order or contract shall be considered as made in Kansas City, Missouri, and the construction and enforcement of it shall be in accordance with the laws of the State of Missouri except those pertaining to conflicts of law.

**7. Bidder's Responsibilities.**

- a. By submitting a bid, the bidder represents that bidder has read and understands the IFB and the bid is made in accordance with the IFB; and
- b. By submitting a bid, the bidder represents that bidder possesses the capabilities, resources, and personnel necessary to provide efficient and successful service to KCATA.

**8. Reservations.**

This IFB does not commit KCATA to award a contract, to pay any cost incurred in preparation of a bid, or to procure a contract for services. The KCATA reserves the right to waive informalities or irregularities in bids, and to reject any

or all bids; to cancel this IFB in part or in its entirety, and to re-advertise for bid if it is in the best interest of the Authority. KCATA shall be the sole judge of what is in its best interest with respect to this IFB.

## **C. FTA AND KCATA REGULATIONS**

### **1. Affirmative Action.**

All bidders doing business with the KCATA shall comply with the Authority's Affirmative Action requirements. Bidders may be considered for certification by the KCATA for such compliance by submitting the required information on the Vendor Registration Form. If copies of the required insurance policies or endorsements are not then available, the Contractor shall be required to furnish certificates of insurance prior to execution of the contract, and thereafter furnish copies of the policies and additional insured endorsements, from time to time, whenever reasonably requested by KCATA. The certificates (with the exception of Professional Liability and Workers Compensation coverage) shall specifically state that:
  - (1) Contractual liability coverage is applicable; and
  - (2) The Kansas City Area Transportation Authority, its commissioners, officers and employees are named as additional insureds on the policies covered by the certificate; using this specific wording: **Kansas City Area Transportation Authority, its commissioners, officers and employees are named as additional insureds as respects general liability and where required by written contract. The duties and obligations imposed by this Agreement and the rights and remedies available hereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law or equity. Such obligation shall not be construed to negate, abridge or otherwise reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this paragraph.

In claims against any person or entity indemnified under this Section, by an employee of Contractor, subcontractor or sub-subcontractor or anyone directly or indirectly employed by any of them, the indemnification obligation shall not be limited by a limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor, subcontractor, or sub-subcontractor under worker's compensation acts, disability benefit acts or other employee benefit acts.

If any action at law or suit in equity is instituted by any third party against Contractor arising out of or resulting from the acts of Contractor in performing work under this Agreement, Contractor shall promptly notify KCATA of such suit.

If any action at law or suit in equity is instituted by any third party against KCATA, or its commissioners, officers or employees arising out of or resulting from the acts of Contractor, a subcontractor or sub-subcontractor, their respective agents or anyone directly or indirectly employed by any of them in providing products, equipment or materials, or in performing work or services, under this Agreement, and if Contractor has failed to provide insurance coverage to KCATA against such action as required herein or otherwise refuses to defend such action, KCATA shall have the right to conduct and control, through counsel of its choosing, the defense of any third party claim, action or suit, and may compromise or settle the same, provided that KCATA shall give the Contractor advance notice of any proposed compromise or settlement. KCATA shall permit Contractor to participate in the defense of any such action or suit through counsel chosen by the Contractor, provided that the fees and expenses of such counsel shall be borne by Contractor. If KCATA permits Contractor to undertake, conduct and control the conduct and settlement of such action or suit, Contractor shall not consent to any settlement that does not include as an unconditional term thereof the giving of a complete release from liability with respect to such action or suit to KCATA. Contractor shall promptly reimburse KCATA for the full amount of any damages, including fees and expenses of counsel for KCATA, incurred in connection with any such action.

#### **14. LICENSES AND PERMITS**

The Contractor shall, without additional expense to KCATA, be responsible for obtaining any necessary licenses and permits, and for complying with all federal, state, and municipal laws, codes, and regulations applicable to the providing of products, equipment or materials, or the performance of the work or services, under this Agreement.

The Contractor shall comply with all applicable and current rules, regulations and ordinances of any applicable federal, state, county or municipal governmental body or authority, including those as set forth by the Environmental Protection Agency (EPA), the Missouri Department of Natural Resources (MDNR), the Kansas Department of Health and Environmental (KDHE), the FTA, the Department of Transportation (DOT), and the City of

**16. PROHIBITED INTERESTS**

No board member, officer, employee or agent of KCATA or of a local public body who has participated or will participate in the selection, award, or administration of this Agreement, nor any member of his or her immediate family, business partner or any organization which employs, or intends to employ any of the above during such period, shall have any interest, direct or indirect, in this Agreement or the proceeds thereof, to any share or part of this Agreement, or to any benefit arising therefrom. This shall not be construed to prevent any such person from owning stock in a publicly owned corporation.

No member of, or delegates to, the Congress of the United States shall be admitted to any share or part of the Agreement, or to any benefit arising therefrom. This shall not be construed to prevent any such person from owning stock in a publicly owned corporation.

## **17. PROHIBITED WEAPONS AND MATERIALS**

Missouri Revised Statutes, Section 571.107 (R.S. Mo. § 571.107) allows government units and businesses to prohibit persons holding a concealed carry endorsement from carrying concealed firearms on its premises. Accordingly, KCATA has adopted the following rules prohibiting weapons, whether concealed or not, and whether or not the individual carrying the weapon has an endorsement or permit to carry on.

No weapon, including firearms concealed or not, other instrument intended for use as a weapon, or any object capable of inflicting serious bodily injury upon another person or property may be carried in or on any facility or property of KCATA, including vehicles of contractors parked on KCATA property or leased facilities, or vehicles used in transporting KCATA customers, even if a person has a permit to carry a concealed weapon, unless authorized in writing to do so by KCATA in its sole discretion. For the purposes hereof, a weapon shall include, but not be limited to, a firearm, knife, sword, or any instrument of any kind known as blackjack, billy club, club, sandbag and metal knuckles.

No explosives, flammable liquids, acids, fireworks, other highly combustible materials, radioactive materials or biochemical materials may be carried on or in any KCATA property, facility or vehicle, including vehicles of contractors parked on KCATA property or leased facilities, or vehicles used in transporting any KCATA customer, except as authorized in writing by KCATA in its sole discretion.

Any contractor, subcontractor, employee or agent thereof, who has a firearm or other weapon, including those used for recreational purposes, in his/her possession, including on his/her person, in a vehicle on an ATA facility, in a vehicle carrying KCATA customers, or accessible such as in first aid kits, toolboxes, purses, lunch or carrying bags, etc., at any time while performing KCATA contracted services or on KCATA property, including parking lots, concealed or not, shall be immediately prohibited from performing any further KCATA work, even if the person has a permit to carry a concealed weapon.

Any KCATA contractor, subcontractor, employee or agent thereof, while performing KCATA contracted services or on any KCATA property or facilities, who has in his/her possession, carries, transports, displays, uses, flourishes, or threatens another person with a weapon, radioactive material, biochemical material or other dangerous weapon, object or material, which has the capability of inflicting bodily injury, shall be immediately prohibited from performing any further KCATA work.

## **18. RECORD RETENTION AND ACCESS**

The Contractor agrees that, during the course of this Agreement and any extensions thereof, and for three (3) years thereafter, it will maintain intact and readily accessible to the KCATA all data, documents, reports, records, contracts, and supporting materials relating to this Agreement. In the event of litigation or settlement of claims arising from the performance of this Agreement, the Contractor agrees to maintain same until such litigation, appeals, claims or exceptions related thereto have been disposed.

The Contractor shall permit KCATA, the Secretary of Transportation, the Comptroller General of the United States, and representatives of KCATA participating communities, to inspect all work, materials, construction sites, payrolls, and other data and records, and to audit the books, records, and accounts of the Contractor relating to its performance under this Agreement.

The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

## **19. REQUESTS FOR PAYMENT**

Invoices requesting payment shall be submitted directly to KCATA's Procurement Department. All invoices shall be numbered, dated and submitted in duplicate, and contain full descriptive information of products, equipment, materials, work or services furnished. All invoices and correspondence shall reference KCATA's Purchase Order number. Separate invoices shall be submitted for each purchase order or work (task) order.

Contracts containing subcontractors shall provide a detailed breakout by prime, majority subcontractor(s) and/or DBE Subcontractor(s) on each invoice submitted for payment. Invoice shall contain a summary section which shows current payment and cumulative. KCATA may perform random audits and contact minority subcontractors to confirm the reported participation. Failure to meet the contracted goal without documented evidence of a good faith effort may result in the termination of this Agreement.

Payment will be made within the later of 1) 30 days after receipt of a proper invoice, or 2) 30 days after KCATA's acceptance of products, equipment, materials or supplies delivered or work or services performed by the Contractor. On a final invoice where the payment amount is subject to contract settlement actions, acceptance shall be deemed to have occurred on the effective date of the contract settlement.

All final invoices shall be submitted to KCATA within 90 days of project completion or contract termination. Invoices submitted more than 90 days after project completion or contract termination will not be valid and will not be paid.

## **20. RIGHT TO OFFSET; PAYMENTS UNDER PROTEST**

KCATA, without waiver or limitation of any rights, may deduct from any amounts due Contractor in connection with this contract, or any other agreement between Contractor and KCATA, any amounts owed by Contractor to KCATA, including amounts owed by Contractor pursuant to Contractor's obligation to indemnify KCATA against third party claims arising out of Contractor's performance of work under this Agreement.

If at any time a dispute shall arise as to any amount or sum of money to be paid by one party to the other party, under the provisions of this Agreement, the party against whom the obligation to pay the money is asserted shall have the right to make payment "under protest"

and such payment shall not be regarded as a voluntary payment and there shall survive the right on the part of said party to institute permitted actions for the recovery of such protested sum, and if it shall be finally determined that there was no legal obligation on the part of said party to pay such sum or any part thereof, said party shall be entitled to recover such sum or so much thereof as it was not legally required to pay under the provisions of this Agreement, together with interest thereon at 8% per annum if paid to the other party. If at any time a dispute shall arise between the parties hereto as to any work to be performed by either of them under the provisions hereof, the party against whom the obligation to perform the work is asserted may perform such work and pay the cost thereof "under protest" and the performance of such work shall in no event be regarded as a voluntary performance and there shall survive the right on the part of said party to institute permitted actions for the recovery of the cost of such work, and if it shall be adjudged that there was no legal obligation on the part of said party to perform the same or any part thereof, said party shall be entitled to recover the cost of such work or the cost of so much thereof as said party was not legally required to perform under the provisions of this Agreement, together with interest thereon at 8% per annum.

## **21. SEVERABILITY**

If any clause or provision of this Agreement is declared to be invalid by any court of competent jurisdiction, then and in that event, the remaining provisions hereof shall remain in force. In lieu of each clause or provision of this Agreement that is illegal, invalid, or unenforceable, there shall be added as a part of this Agreement, a clause or provision as similar in terms to such illegal, invalid, or unenforceable clause or provision as may be possible and be legal, valid, and enforceable.

## **22. SUBCONTRACTORS**

**A. Subcontractors.** None of the work or services covered by this Agreement shall be subcontracted without the prior written approval of KCATA. The only subcontractors approved for this Agreement, if any, are listed on an Appendix to this Agreement. Any substitutions or additions of subcontractors must have the prior written approval of KCATA in its sole discretion. Contractor shall be solely responsible for reimbursing any subcontractors or service firms, and KCATA shall have no obligation to them, provided KCATA has accepted and reimbursed Contractor for the subcontractors' or service firms' work. If Contractor fails to reimburse subcontractors or service firms after receiving reimbursement from KCATA for the subcontractors' or service firms' work, KCATA reserves the right to directly reimburse the subcontractor or service firm and withhold such payments directly from any future payments to Contractor, any retainage held by KCATA on this Agreement, or draw down on any letter of credit provided in lieu of retainage under this Agreement. KCATA may require lien waivers from all subcontractors before reimbursement is made to the Contractor.

*A breakdown of all payments to subcontractors shall be included with Contractor's payment requests submitted to KCATA.*

**23. SUSPENSION OF WORK**

KCATA may order the Contractor, in writing, to suspend, delay, or interrupt all or any part of the work under this Agreement for the period of time that KCATA determines appropriate for the convenience of KCATA.

**24. TAXPAYER IDENTIFICATION NUMBER (TIN)**

The Contractor is required to provide its TIN, which is the number required by the IRS to be used by KCATA in reporting income tax and other returns. The TIN provided by the Contractor is \_\_\_\_\_.

By execution of this Agreement, the Contractor certifies the accuracy of the above TIN for IRS reporting purposes.

**25. TERMINATION**

**A. Termination for Convenience.** The KCATA may terminate this Agreement, in whole or in part, at any time by written notice to the Contractor when it is in KCATA's best interest. The Contractor will only be paid the Contract Sum for products, equipment, materials or supplies delivered and accepted, or work or services performed in accordance with the manner of performance set forth in this Agreement. If the Contractor has any property in its possession or under its control belonging to the KCATA, the Contractor will account for same, and dispose of it in the manner the KCATA directs.

**B. Funding Contingency.** If this Agreement is subject to financial assistance provided by the U.S. Department of Transportation, the Contractor agrees that withdrawal or termination of such financial assistance by the U.S. DOT may require KCATA to terminate this Agreement in accordance with other provisions of this Agreement.

**C. Termination for Default [Breach or Cause].** If the Contractor does not deliver products, equipment, materials or supplies in accordance with the contract delivery schedule, or if the Agreement is for work or services, and the Contractor fails to perform in the manner called for in this Agreement, or if the Contractor fails to comply with any other provisions of this Agreement, KCATA may terminate this Agreement for default. Termination shall be effected by serving a notice of termination on the Contractor setting forth the manner in which the Contractor is in default. The Contractor will only be paid the contract price for products, equipment, materials or supplies delivered and accepted, or work or services performed in accordance with the manner of performance set forth in this Agreement.

If the termination is for failure of the Contractor to fulfill the project contract obligations, KCATA may complete the project in question by contract or

otherwise and the Contractor shall be liable for any additional cost incurred by KCATA.

If, after termination for failure to fulfill contract obligations, it is determined that the Contractor was not in default, KCATA, after setting up a new delivery or performance schedule, may allow the Contractor to continue the project, or treat the termination as a termination for convenience.

- D. Opportunity to Cure.** KCATA in its sole discretion may, in the case of a termination for breach or default, allow the Contractor an appropriately short period of time in which to cure the defect. In such case, the written notice of termination will state the time period in which cure is permitted and other appropriate conditions.

If Contractor fails to remedy to KCATA's satisfaction the breach or default of any of the terms, covenants, or conditions of this Agreement within the time period permitted, KCATA shall have the right to terminate the Agreement without any further obligation to Contractor. Any such termination for default shall not in any way operate to preclude KCATA from also pursuing all available remedies against Contractor and its sureties for said breach or default.

- E. Waiver of Remedies for any Breach.** In the event that KCATA elects to waive its remedies for any breach by Contractor of any covenant, term or condition of this Agreement, such waiver by KCATA shall not limit KCATA's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Agreement.

- F. Property of KCATA.** Upon termination of this Agreement for any reason, and if the Contractor has any property in its possession or under its control belonging to KCATA, the Contractor shall protect and preserve the property, account for the same, and dispose of it in the manner KCATA directs. Upon termination of this Agreement for any reason, the Contractor shall (1) immediately discontinue all work or services affected (unless the notice directs otherwise), and (2) deliver to KCATA's Project Manager all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this Agreement, whether completed or in process.

## **26. WARRANTY; WARRANTY OF TITLE**

The Contractor agrees that products, equipment, materials or services furnished under this Agreement, shall be covered by the most favorable warranties the Contractor gives to any customer of such products, equipment, materials or services, and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to KCATA by any other clause in this Agreement.

Upon final acceptance by KCATA of all work to be performed by the Contractor, KCATA shall so notify the Contractor in writing. The date of final acceptance shall commence the warranty period.

Contractor shall provide KCATA with good and marketable title to all products, equipment or materials delivered under this Agreement, free and clear of all liens and encumbrances.

## 27. GENERAL PROVISIONS

- A. **No Third Party Beneficiaries.** The parties do not intend to confer any benefit hereunder on any person, firm or entity other than the parties hereto.
- B. **Extensions of Time.** No extension of time for performance of any Contractor obligations or acts shall be deemed an extension of time for performance of any other obligations or acts.
- C. **Binding Effect.** This Agreement shall bind and inure to the benefit of the legal representatives, successors and permitted assigns of the parties.
- D. **Counterparts.** This Agreement may be executed at different times and in two or more counterparts and all counterparts so executed shall for all purposes constitute one agreement, binding on all the parties hereto, notwithstanding that all parties shall not have executed the same counterpart. And, in proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart executed by the party against whom enforcement is sought.
- E. **Headings.** The headings or captions used in connection with the Sections and Subsections of this Agreement are for convenience of reference only and shall not be deemed to construe or limit the meaning or language of this Agreement.
- F. **Interpretation; Update of Citations.** Unless otherwise specified herein, (a) the singular includes the plural and the plural the singular; (b) words importing any gender include the other genders; and (c) references to persons or parties include their permitted successors and assigns. The parties recognize and agree that many of the laws, regulations, policies, procedures and directives stated as governing the Contractor's performance of its work or services, or the supplying of products, equipment, or materials, pursuant to this Agreement are subject to updating, amendment or replacement. Therefore, all such references in this Agreement are agreed by the parties to be deemed to refer to the then current updated, amended or replacement form of such laws, regulations, policies, procedures and directives in effect at the applicable time during the term of this Agreement and the same are hereby incorporated into this Agreement by this reference.
- G. **When Effective.** Notwithstanding any provision contained in this Agreement to the contrary, this Agreement shall become effective only after the execution and delivery of this Agreement by each of the parties hereto and no course of conduct,

oral agreement or written memoranda shall bind the parties hereto with respect to the subject matter hereof except this Agreement.

- H. Further Actions; Reasonableness and Cooperation by Parties; Time for Certain Actions.** Each party agrees to take such further actions and to execute such additional documents or instruments as may be reasonably requested by the other party to carry out the purpose and intent of this Agreement. Except where expressly stated to be in a party's sole discretion, or where it is stated that a party has the ability to act in its sole judgment or for its own uses or purposes, wherever it is provided or contemplated in this Agreement that a party must give its consent or approval to actions or inactions by the other party or a third party in connection with the transactions contemplated hereby, such consent or approval will not be unreasonably withheld or delayed. If no time period is set hereunder for a party to approve or consent to an action or inaction by the other party or a third party such approval shall be given or affirmatively withheld in writing within ten (10) business days after it is requested in writing or it shall be deemed given.
  
- I. Time Periods.** A "business day" is a business working day of KCATA administrative personnel which are days other than a Saturday, Sunday or legal holidays observed by the KCATA for administrative personnel. If the time period by which any right or election provided under this Agreement must be exercised, or by which any act required hereunder must be performed, expires on a day which is not a business day, then such time period shall be automatically extended through the close of business on the next regularly scheduled business day.
  
- J. Survival.** In addition to any provisions expressly stated to survive termination of this Agreement, all provisions which by their terms provide for or contemplate obligations or duties of a party which are to extend beyond such termination (and the corresponding rights of the other party to enforce or receive the benefit thereof) shall survive such termination.
  
- K. Authority of Signatories.** Any person executing this Agreement in a representative capacity represents and warrants that such person has the authority to do so and, upon request, will furnish proof of such authority in customary form.

Persons or concerns wishing to be placed on the Kansas City Area Transportation Authority's Registered Vendors List for supplies and services shall file a properly completed and certified Vendor Registration Form together with such other lists as may be attached to the application form, with the office of the Director of Procurement. Applicants shall confine their product list to those materials and services for which they are prime distributors to include an adequate supply of replacement parts and a prompt service capability in accordance with the needs of the Authority. The application shall be submitted and signed by the principal as distinguished from an agent, however constituted. Submittal of this Vendor Registration Form will place your firm on our Registered Vendors List, but does not guarantee a solicitation for proposal.

After placement on the Registered Vendors List, a supplier's repeated failure to respond to Invitations for Proposal will be understood by the Authority to indicate a lack of interest and the supplier's name will be removed from the list for the items concerned. If you wish to remain on the Registered Vendors List, but do not wish to offer a proposal, return the proposal with a notation "NO PROPOSAL" or send a notice stating that you are unable to proposal but wish to remain on the list. The list will be periodically purged. If you do not receive proposal solicitations, inquire to confirm that your firm remains on our list.
